Katie,

The notary went out & Kalif refused to sign because of the Medicaid form & then the release because it didn't reflect the amount he would receive. I suggest you file the Motion to enforce the settlement. Unfortunately, I think Kalif has some mental illness, which interferes with his thought processes.

Peggy

Katie,

Just spoke with Kalif and he is now agreeable to sign the release.

Have a notary scheduled to visit him tomorrow.

Hoping he won't change his mind.
